

Attorney Docket No. 98-820 (65632-0180)

### SPECIFICATION

The Abstract is amended as follows:

#### ABSTRACT OF THE DISCLOSURE

~~Method and apparatus for a~~An application sharing interface is described. ~~More particularly, an interface program is provided for to~~ application sharing. ~~One aspect of this~~An interface program facilitates application sharing by reducing it to a two step process hiding underlying details from a user. This interface program in cooperation with a conferencing program facilitates application sharing by enabling a user to select one or more files and one or more participants. ~~After which~~Subsequently, this interface program automatically establishes application sharing. This interface program provides both an application list and a participant list to facilitate a user's selection thereof.
